

GLOBAL & LOCAL PROTEST

MARCH FROM THE SQUARE

‘POLITICAL PICNIC’ AT VICTORIA SQ

SAT, 27th OCTOBER, NOON

Personal dissent and community activism is under assault in Aotearoa/New Zealand. This Terrorism Suppression Law is growing, drawing our many peoples into a single police state. Where Tuhoe, environment, and peace activists are today, all will be tomorrow, unless we resist and ridicule these ridiculous arrests! Lets NOT wait complacently for the fear, stigma, and isolation of an unjust, exploitative legal process to become normal!
